Teachers still have a considerable amount of curriculum to cover, and every day provides valuable teaching and learning time.

Reminder that if a learner is absent without any medical certificate, the learner will receive a zero for the paper.

Parents may not send a notice in the diary saying their child will be absent due to an appointment, going on holiday or weekend away. All learners are expected to come to school and write their formal controlled assessments on the dates indicated below.

As from 6 November until the end of the term all learners will be dismissed at 13:00. No learners may loiter around after school. Please ensure to collect your child on time so they have enough time to study in the afternoons.
