Dear Parents

Re: Annual General Meeting and Budget / School Fees 2027

The Annual General Meeting was held on Thursday 5 November 2026. A note of thanks to the parents who made the effort to attend.

Grade 1 to 7

ACCOUNT DETAILS FOR GRADE 1 TO 7

ALBERVIEW PRIMARY SCHOOL	
BANK:	**ABSA**
CURRENT ACCOUNT:	**01116260642**
BRANCH:	**ALBERTON 632005**
REFERENCE:	**ACCOUNT NUMBER**

Resolutions were passed to charge a school fee of **R22 198.16 per annum / per pupil in 2027** and the procedure for exemption was agreed upon by parents present at the meeting. These resolutions are therefore now legally binding on the school community as a whole.

- **Monthly** payments of **R1 849.85 over 12 months from January to December 2027**; or
- Should parents wish to settle their fees for 2027 in full, the following discounts will apply:
    - Settle in full by 31 December 2026 = 10% discount = R19 978.35 payable per pupil (Discount will be processed in January 2027)
    - Settle in full by 31 January 2027 = 8% discount = R20 422.31 payable per pupil
    - Settle in full by 28 February 2027 = 5% discount = R21 088.26 payable per pupil

National Norms and Standards for School Funding

Regulations for the exemption of "parents" from the payment of school fees are informed by the following legislation:

- **South African Schools Act 84 of 1996 – Section 39(4) & 61**
- **Regulations relating to the exemption of parents from payment of school fees in public schools – Government Gazette 29311 / 11 October 2006**
- **Amended national norms and standards for school funding – Government Gazette 29179 / 31 August 2006**

The formula for the calculation of exemptions is briefly explained below.

$$E = 100 \left(\frac{F + A}{C}\right)$$

E = Fees as a proportion of parents / household income
F = Annual school fees charged
A = Additional monetary required from parents (R50.00 at Alberview)
C = **Combined annual gross** income of **parents / household**
The "E" value is then applied to a table for determining levels of exemption

$$E = \frac{100(R22\ 198.16 + R100)}{R22\ 198.16}$$

$$E = 100 \frac{(R22\ 298.16)}{R22\ 198.16}$$

$E = 100 \times 0.1$

$E = 10\ \%$

IF:
E = or > 10% - total exemption
E = 9,5 - 3,5% - partial exemption
E = or <2,5% - no exemption

As a guide if:

- Total **gross income** is less than R221 982 per annum, qualifies for total exemption.
- Total **gross income** greater than R634 233 per annum, qualifies for no exemption.

Parents who are of the opinion that they may qualify must request application forms from Mrs van Wyk from 18 January 2027 via email: admin@alberview.org.za or written note with your child. Completed applications must be submitted, by hand to the school by the **latest 12 March 2027** for consideration.

Please note that submitting an application for full or partial exemption does not suspend the need to pay fees whilst the application is being considered.

Grade R (N.G.O. Non-profit Organization)

Fees for 2027 are **R36 098.78 per annum / per pupil**. Monthly payments of **R3 008.23 over 12 months from January to December 2027**. **No exemptions or subsidies are available** for this independent class, as no support or funding is received from the state.

ACCOUNT DETAILS FOR GRADE R ONLY
